Dear President el Sisi

I wrote to you last year to make you aware of this very important excavation and committed to keeping you updated with my progress.

Therefore, I send you a copy of my recent correspondence to your Ministry of Antiquities. Your continued support will enable me to deliver the illusive and mysterious Ark of the Covenant at a time when Egypt needs it most.

The discovery of the Ark of the Covenant is of immense importance to your country for Religious, Scientific and Economic reasons so I urge you to make yourself familiar with this project which requires your support to accelerate its progress.

Ark of the Covenant – Quran

verse (2:248) of chapter (2) *sūrat l-baqarah* (The Cow):

• **Sahih International :**

And their prophet said to them, "Indeed, a sign of his kingship is that the chest will come to you in which is assurance from your Lord and a remnant of what the family of Moses and the family of Aaron had left, carried by the angels. Indeed in that is a sign for you, if you are believers."
