6<sup>th</sup> October 2022

Dear President el-Sisi

Both the British and Canadian Embassies have been notified of my visit to Egypt and your Department of Foreign Affairs has asked for diplomatic oversight on my meetings with your Minister of Tourism and Antiquities.

I do not seek profit and I do not seek fame, just the improvement of the fortunes of Egypt, and of course anonymity for myself.

I ask that you grant me an audience during my visit between 17 October and 13<sup>th</sup> November 2022.

Ninety minutes of your time will prove to you that I can regenerate your tourism industry in one year.

When I arrive at the Palace, I will present this letter and my crest as verification of my identity.

My grandfather financed the Suez Canal and the State of Israel, but I will bring millions of new tourists to Egypt; by means of a great discovery.

Yours sincerely
